EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William F. Ahmann (Reg. No. 52,548) on 9/29/08.

The application has been amended as follows:

replace "receive" (claim 7, line 22) with -- **received** --;

replace "receive" (claim 17, line 31) with -- **received** --.

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not specifically disclose or remotely suggest

With regard to independent claims 7 and 17:

wherein if the message was received successfully by each destination, then removing the message from the memory and the non-volatile storage, if on the non-volatile storage; and indicating a successful receipt of the message;

wherein if the message was not received successfully by each destination, then identifying all failed destinations; storing the message on the non-volatile storage; and indicating a successful receipt of the message.

Art Unit: 2141

2. These limitations, in conjunction with the other limitations in the independent claims, are not specifically disclosed or remotely suggested in the prior art of record.

A review of claims 7 – 10 and 17 – 20, in view of the Examiner's arguments above, indicates that claims 7 – 10 and 17 – 20 are allowable over the prior art of record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kenneth R. Coulter whose telephone number is 571 272-3879. The examiner can normally be reached on M - F, 7:30 am - 4 pm.
